

# Metro South Bids Farewell to BILL RASMUSSEN

At the end of June 2020, Metro South said a sad goodbye to Bill Rasmussen.

Bill retired after more than 33 years of teaching in the program, starting when Metro South was called "SHAPE" and the program was in the early stages of development. He was instrumental in making Metro South the high quality program it is today. He made an enormous impact on staff and students alike and is truly missed.

Bill plans to spend time with his family and devote more time to his automotive hobby.

He has promised us that he will return to sub in our program after the pandemic has ended. Bill will always have a home at Metro South.
